

Paying property taxes all at once can disrupt your budget and cash flow. EscrowTaxes helps you avoid lump-sum payments by turning your annual or semi-annual property tax bill into predictable, manageable monthly payments.

It's secure, accurate, and built for homeowners, landlords, and property managers.

HOW IT WORKS

Search by parcel ID, name, or address to locate your tax bill.
See your monthly payment.

Enroll and relax, your taxes are paid automatically, on time, every time.

Receive monthly notifications.

EscrowTaxes is offered for a small administrative fee.

**Turn one annual
tax bill into smaller,
automated, stress-free
monthly payments.**

Why EscrowTaxes?

Say goodbye to lump-sum bills.

Predictable payments—budget monthly with confidence.

Accurate to the penny—real-time property tax data ensures you never overpay or underpay.

Automatic adjustments—your payment adjusts if your tax bill changes, no action needed.

Bank-level encryption and full local/state compliance.

EscrowTaxes is brought to you by Autoagent, the same company trusted by tax offices, banks, and mortgage servicers across the country since 2001.
